Notice on HPLC Column “Chiral CD-Ph”

Osaka Soda Co., Ltd.
Chromatography Sales Sect.,
Sales Dept., Health Care Div.

Dear Our Valued Customers,

This letter is to inform you of a partial change on the notice of discontinuation of HPLC Column Chiral CD-Ph we posted on our website on March 16th 2021. This product of Chiral CD-Ph has been manufactured and sold for various uses including chiral separation of Fexofenadine. However, this notice of end of sale only applies to the use of Fexofenadine since the procurement of the raw material is getting difficult. For this reason, Chiral CD-Ph will be still available other than for the use of Fexofenadine. Chiral CD-Ph for the use of Fexofenadine, on the other hand, will be subject to the discontinuation on September 30th 2021. Please kindly refer to the details below.

■**Product subject to be discontinued**

HPLC Column Chiral CD-Ph

■**Date the product to be discontinued**

September 30, 2021

■**The details**

Discontinuation only for chiral HPLC separations of Fexofenadine

Note: The use for general compound other than Fexofenadine will not be subject to this notice

We apologize for any inconvenience and confusion this may cause.

Thank you for your understanding and continued support in advance.

If you have any inquiries on this matter please reach out to us at:
